### Irving makes a purr-fect entry in show

ARTIST and animal lover Pamela Irving will judge 3D submissions in the Mount View Art Show this week.

The art show, in its 31st year, raises money for Mount View Primary School in Glen Waverley.

Irving is one of 13 guest artists exhibiting in this year's show, which includes more than 500 works.

Irving is known for her dog sculpture at Melbourne City Square and large-scale sculptural mosaic at Luna Park. One of the cats from the Luna Park display is called Bessie and also appears in a painting submitted for the show.

"Most of my imagery is animals and birds," Irving said. "It is always very playful and appeals to children and adults."

The show's opening night is on Thursday, June 11, at 7pm; tickets \$20. Details: [mountviewartshow.org](http://mountviewartshow.org) or phone 9560 0471. The show will run until June 14.

Mount View Primary School students Zoe and Mackenzie get Pamela Irving's work Bessie ready for the Mount View Art Show.
